THE BANQUET HALL

Through the front parlor and down the landing is Ravenwood's banquet hall, the club's formal dining area.

Flanked by three sets of French doors, which lead to the covered veranda and the open brick terrace, guests enjoy over 2,000 square feet of space to dine, dance, and celebrate.

Guests are greeted in the foyer, and enjoy the parlor while signing in your guest book, collecting their escort cards and party favors, and dropping off your gift.

The landing is available for a dessert buffet and cake display.

THE COVERED VERANDA

Guests step out of the banquet hall onto the covered veranda to enjoy a summer's night breeze and view of the Stone River.

The covered veranda features ceiling fans and provides a shaded area to guests to either socialize or dine.

THE GARDEN

Lined with stone walls and pavers, and facing the river, Ravenwood's garden is a unique and charming setting that invokes an old world feeling.

You are surrounded by lush greenery and you face the Stones River when you walk down the stone steps towards a flower adorned alter to recite your vows. Add a few lanterns and your family and friends, and the possibilities are endless.

OPEN BRICK TERRACE

For a relaxed and romantic evening, line one of Ravenwood's largest trees with a string of twinkling lights, hire a string quartet, adorn cocktail tables with lanterns and your signature drink, and dance the night away on Ravenwood's brick terrace.

PASTURE LAND OR BARN

Long ago, the first Ravenwood members sauntered along the club's pasture land on horseback. Today, many guests enjoy a variety of events among our acreage of fields and vintage barn.

For a down-home feeling, Ravenwood's land serves as the perfect spot for your tented or outdoor event. If you plan to let your cowboy boots peek through the bustle of your wedding gown, our pasture land and barn is the perfect charmingly rustic setting for your special day.
